**MEMORANDUM OF LAW IN SUPPORT OF PLAINTIFFS’
MOTION TO AMEND THEIR COMPLAINT**

I. INTRODUCTION

Plaintiffs Axion Power International, Inc., William and Tracy Ahearn, h/w, Sally Fonner, and James Smith, M.D. (hereinafter collectively referred to as “Plaintiffs”) seek leave of this Honorable Court to Amend their Complaint to:

- (1) amend the basis for jurisdiction in this court to reflect diversity jurisdiction pursuant to 28 U.S.C.A. § 1332 as to the remaining defendants in the case¹;

¹ Former Defendants Brown Brothers Harriman & Company, Penson Financial Services, Inc., Continental Stock Transfer & Trust Company, BNP Paribas Securities Services, MF Global, Inc. and MF Global, UK, Ltd. have been dismissed from the case.

- (2) remove Count I (Securities Exchange Act of 1934, Section 10(b), 15 U.S.C. § 78j(b)), Count III (Negligence), Count VIII (Conversion), Count X (Fiduciary Duty), and Count XI (Bailment); and
- (3) amend the remaining Counts against Defendants Mercatus & Partners, LTD. (hereinafter referred to as “Mercatus”), Cari Masi a/k/a Cary Masi (hereinafter referred to as “Masi”), Dwight Parscale (hereinafter referred to as “Parscale”), Stephano Cevolo (hereinafter referred to as “Cevolo”) (Masi, Parscale and Cevolo hereinafter collectively referred to as the “Individual Defendants”), and Banca MB, S.p.A. (hereinafter referred to as “Banca MB”).

II. FACTUAL BACKGROUND

This matter arises out of the fraudulent and improper sale and transfer of Plaintiffs’ shares of stock (the “Axion Stock”). Plaintiffs entered into an agreement for the sale of the Axion Stock with Mercatus, in which the Plaintiff intended and expected to transfer the Axion Stock to Mercatus for placement in a European bank SICAV mutual fund. The Mercatus Defendants falsely represented that the US companies participating in the proposed transaction with Mercatus would have no payment risk because their shares would be placed into a safekeeping account in the United States by Banca MB at, Brown Brothers Harriman Company (hereinafter the “Custodial Account”), both of which were to hold the Axion Stock until the purchase price was paid to Plaintiffs.² The purchase price for the stock was never paid. Despite assurances, at the time that Plaintiffs demanded the return of the Axion Stock from the Custodial Account because

² The specific details of the transaction are set forth in the Amended Complaint, attached to Plaintiffs’ Motion for Leave to File an Amended Complaint as Exhibit A.

the purchase price had never been paid, Plaintiffs learned that the Axion Stock had improperly been wrongfully transferred from the Custodial Account to various entities and then from those entities to others, with the stock ultimately transferred to Penson Financial Securities and MF Global, Inc. Mercatus, the Individual Defendants and Banca MB all knew or should have known that the Axion Stock should not have been transferred for any reason from the Custodial Account unless and until the purchase price had been paid to Plaintiffs, which it never was.

Plaintiff filed a Complaint in this matter on or about December 20, 2007. After much research and investigation and motions to dismiss filed by MF Global, Inc., Penson Financial Securities, Parscale and Brown Brothers Harriman, Plaintiff elected to dismiss Continental Stock Transfer and Trust Company, MF Global Inc., Penson Financial Securities, BNP Paribas Securities Services and Brown Brothers Harriman from the case pursuant to FRCP 41(A)(1).

Thereafter, the Mercatus, Masi and Cevolo (the "Mercatus Defendants") requested until May 1, 2008 to return the Axion Stock to Plaintiffs in return for a dismissal of the case against all parties. All remaining parties agreed to comply with the request and a conference with all counsel was held on May 1, 2008, at which time the Mercatus Defendants advised Plaintiffs that they were not yet able to return the Axion Stock. The Mercatus Defendants requested additional time, but the parties elected not to wait any longer. The Mercatus Defendants' failure to return the Axion Stock at the contemplated date has left Plaintiffs no other recourse but to file the herein motion for leave to file and amended complaint and amend their complaint against the remaining Defendants.

III. THE APPLICABLE STANDARD UNDER RULE 15

Fed.R.Civ.P. 15(a) provides that after a responsive pleading has been filed, " . . . [A] party may amend the party's pleading only by leave of court or by written consent of the adverse party; and leave shall be freely given when justice so requires." Amendments to a complaint are appropriate when faced with a motion to dismiss under F.R.C.P. 12(b)(6). *Harnett v. Barr*, 2008 WL 618922 (N.D.N.Y., March 7, 2008); *Milanese v. Rust-Oleum Corp.*, 244 F.3d 104 (2d. Cir. 2001).

Courts have shown a "strong liberality . . . in allowing amendments under Rule 15(a)." *Foman v. Davis*, 371 U.S. 178, 182 (1962). In *Foman v. Davis*, the Supreme Court held as follows:

Rule 15(a) declares that leave to amend shall be freely given when justice so requires; this mandate is to be heeded. If the underlying facts or circumstances relied upon by a plaintiff may be a proper subject of relief, he ought to be afforded an opportunity to test his claim on the merits.

Id. at 182 (citation and internal quotation marks omitted).

The Court has broad discretion regarding whether to grant leave to amend. *Zenith Radio Corp. v. Hazeltine Research, Inc.*, 401 U.S. 321 (1971). However, in exercising its discretion, the District Court must permit amendments freely. *Wedgeworth v. Fiberboard Corp., Inc.*, 706 F.2d 541 (5th Cir. 1983).

In considering whether to permit an amendment, the court should apply such factors timeliness, undue delay, bad, faith, futility and prejudice to the adverse party. *Ruotolo v. City of New York*, 514 F.3d 184, 191 (2d Cir. 2008). Undue prejudice is "the touchstone for denial of leave to amend." *Cornell & Co., Inc. v. Occupational Safety & Health Review Comm'n*, 573 F.2d 820, 823 (3d Cir. 1978); *see also O'Hara v. Weeks*

Marine, Inc., 294 F.3d 55, 77 (2d Cir. 2002). “Mere delay, however, absent a showing of bad faith or undue prejudice, does not provide a basis for the district court to deny the right to amend.” *State Teachers Ret. Bd. v. Fluor Corp.*, 654 F.2d 843, 856 (2d Cir.1981) (citations omitted); *see Foman v. Davis*, 371 U.S. 178, 182 (1962).

IV. DEFENDANTS WILL SUFFER NO PREJUDICE AS A RESULT OF THIS AMENDMENT

Should the Court permit Plaintiffs to Amend the Complaint, Defendants will suffer no prejudice. The remaining Defendants: Parscale, the Mercatus Defendants and Banca MB, will not suffer prejudice because this litigation is in its earliest stages. While one of the remaining Defendants, Parscale, has filed a Motion To Dismiss based on the Securities Fraud count contained in the original Complaint, that count has been removed from the Amended Complaint so that the issues raised in the Motion To Dismiss need not be adjudicated. Further, no defendant has filed an answer and absolutely no discovery has been exchanged, including initial disclosures in accordance with F.R.C.P. 26(a). Permitting Plaintiffs to amend their complaint will not prejudice any party.

WHEREFORE, Plaintiffs respectfully request that Plaintiffs’ Motion For Leave To Amend The Complaint herein be granted.

Respectfully Submitted,
Fellheimer & Eichen LLP

FACTS

The Mercatus Transaction Proposed to Plaintiffs

14. In the fall of 2005, Plaintiffs learned through their attorney, John Peterson, Esquire, that Mercatus, an investment bank headquartered in the United Kingdom, had a representative in the United States for the purpose of purchasing a combination of free trading shares and restricted shares under SEC Rule 144 from multiple small United States public companies for placement in a European bank SICAV mutual fund (sometimes referred to herein in its entirety as the “Mercatus Transaction”).
15. Mercatus’ representative, Bret Pojunis, (hereinafter “Pojunis”) falsely represented to Axion’s attorney that the United States companies participating in the Mercatus Transaction would have no payment risk because their shares would be placed into a safekeeping, custodial account in the United States maintained by Banca MB at Brown Brothers Harriman & Co. (hereinafter referred to as “Brown Brothers” and/or “BBH&C”), a custodial bank, and the shares so deposited would not leave the safekeeping custodial account until the purchase price had been paid in full.
16. In addition, Axion was falsely told by Pojunis, Mercatus’ representative, that if the purchase price of the Axion shares was not timely paid, the shareholders who had deposited their Axion shares into the custodial safekeeping account could contact BBH&C directly and demand the return of their shares and that BBH&C would comply with such demands.

17. Axion was told by Pojunis that of the shares being sold to Mercatus under the program, one third of the number of shares were required to be unrestricted share from Axion.
18. Axion deposited One Million (1,000,000) restricted shares and, together with its shareholders, deposited Five Hundred Thousand (500,000) unrestricted shares into the Banca MB account No. 4444550 at BBH&C as described in greater detail below.
19. Some of the unrestricted shares of Axion were obtained by the Axion Shareholders exercising certain Axion Warrants which they held. Axion agreed that the Axion Shareholders could defer payment of the exercise price of the shares obtained by the exercise of the Axion Warrants until the Axion Shareholders received the purchase price for the shares.
20. Axion's counsel, John Petersen, received two forms of stock purchase agreements from Mercatus, one form for the stock purchase agreement for Axion and its restricted shares, and a second form for the stock purchase agreement for the purchase of unrestricted shares from the private individuals.
21. In the stock purchase agreements received from Mercatus for both restricted and unrestricted shares, the following persons and entities were identified as having the following rolls and responsibilities in the Mercatus Transaction:
 - a. BBH&C is identified as the custodial bank for the shares of stock in the Mercatus transaction;
 - b. Defendant Banca MB, a customer of BBH&C, is identified as having an account agreement for Banca MB's account No 4444550 which is described as a safekeeping account at BBH&C into which companies and individuals

participating in the Mercatus Transaction will deposit their stock for safekeeping pending payment of the purchase price (hereinafter the “Banca MB Custodial Account”); and

- c. Defendant Parscale is identified as Attorney-In-Fact over the Banca MB Custodial Account with responsibility for payment of the purchase price for shares being made prior to the transfer of stock out of the Banca MB Custodial Account.
22. Upon receiving the form stock purchase agreements, Plaintiff’s counsel, John Petersen, confirmed that if Plaintiffs were to participate in the Mercatus Transaction, the shares of Axion stock offered for sale by Plaintiffs could not leave the Banca MB Custodial Account until payment was made. John Petersen’s confirmation was made in direct telephone conversations in December of 2005 between John Petersen and the following persons: (i) Masi, Chief Executive Officer of Mercatus; (ii) George Parnell, Esquire an attorney at Holland + Knight representing Mercatus; and (iii) Parscale, the designated Attorney-In-Fact for the Banca MB Custodial Account, the account into which Plaintiffs’ shares of Axion stock would be placed,.

PRIVATE STOCK PURCHASE AGREEMENT ("Agreement") is made and entered into as of December 9, 2005, between, William and Traci Ahearn, husband and wife (the "Seller"), and Mercatus & Partners Limited (the "Purchaser").

WHEREAS, Seller is the record owner of certain shares of the common stock of Axion Power International, Inc. that have been included in and registered by an effective Form SB-2 registration statement under the Securities Act of 1933 (SEC File No. 333-124317); and

WHEREAS, the Seller has previously delivered to Purchaser a complete copy of that certain prospectus of Axion Power International, Inc. dated August 18, 2005 (the "Prospectus") which includes the shares referenced in the preceding recital and specifically identifies the Seller as a selling stockholder; and

WHEREAS, subject to the terms and conditions set forth in this Agreement, the Seller desires to sell and the Purchaser desires to acquire from the Seller 154,150 shares of Axion Power International, Inc. at a price of \$3.00 per share, for an aggregate purchase price of \$462,450, which represents a discount of approximately 22.5% from the 30-day weighted average trading price of the referenced shares.

NOW, THEREFORE, subject to the terms and conditions set forth in this Agreement, for good, valuable and binding consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, intending to be legally bound hereby, now agree as follows:

ARTICLE I INTRODUCTION AND AGREEMENT TO PURCHASE

1.1 This stock purchase agreement has been negotiated and entered into in furtherance of the Purchaser's plan to (a) buy equity securities issued by a substantial number of small public companies, (b) negotiate the transfer of the entire portfolio of purchased securities to a European bank SICAV fund in exchange for fund interests, and (c) use the SICAV fund interests as collateral for a bank loan that will be used to pay the purchase price of the portfolio of securities. All securities will be deposited with Brown Brothers Harriman & Co., the custodial bank for this transaction, for delayed delivery versus payment. The Seller understands that the shares must be deposited with the custodial bank for asset valuation purposes, but the transaction will not be completed unless the Purchaser receives sufficient loan proceeds to pay the purchase price for all securities included in the stock portfolio that the Purchaser intends to contribute to the SICAV. This agreement does not contemplate or provide for the immediate payment of the purchase price. The anticipated time-line and sequence of transaction events is described in Schedule A to this agreement. The Seller recognizes the time-lines are only estimates. The purchase price specified herein has not been placed in escrow and the closing of this agreement is contingent on the successful completion of negotiations for the contemplated SICAV and loan transactions. The Seller shall have the right to contact the custodial bank administrator for verification of the status, location and control of the securities at each step in the process. The Purchaser shall have up to thirty (30) days from the date of delivery of the securities to the custodial bank to pay the Purchase Price.

1.2 Subject to the limitations and qualifications set forth in Section 1.1, the Purchaser agrees to purchase 154,150 shares of the registered common stock of Axion Power International, Inc. The Seller accepts and agrees that Artemis Capital Group, LLC ("Artemis") is acting for the Purchaser and does not regard any person other than the Purchaser as its customer in relation to this Agreement, and that it has not made any recommendation to the Seller, in relation to this Agreement and is not advising the Seller, with regard to the suitability or merits of the transaction and in particular Artemis has no duties or responsibilities to the Seller for the best execution of the transaction contemplated by this Agreement.

PRIVATE STOCK PURCHASE AGREEMENT SICAV ~~ONE~~

PRIVATE STOCK PURCHASE AGREEMENT ("Agreement") is made and entered into as of December 9, 2005, between, William and Traci Ahearn, husband and wife (the "Seller"), and Mercatus & Partners Limited (the "Purchaser").

WHEREAS, Seller is the record owner of certain shares of the common stock of **Axion Power International, Inc.** that have been included in and registered by an effective Form SB-2 registration statement under the Securities Act of 1933 (SEC File No. 333-124317); and

WHEREAS, the Seller has previously delivered to Purchaser a complete copy of that certain prospectus of **Axion Power International, Inc.** dated August 18, 2005 (the "Prospectus") which includes the shares referenced in the preceding recital and specifically identifies the Seller as a selling stockholder; and

WHEREAS, subject to the terms and conditions set forth in this Agreement, the Seller desires to sell and the Purchaser desires to acquire from the Seller 154,150 shares of **Axion Power International, Inc.** at a price of \$3.00 per share, for an aggregate purchase price of \$462,450, which represents a discount of approximately 22.5% from the 30-day weighted average trading price of the referenced shares.

NOW, THEREFORE, subject to the terms and conditions set forth in this Agreement, for good, valuable and binding consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, intending to be legally bound hereby, now agree as follows:

**ARTICLE I
INTRODUCTION AND AGREEMENT TO PURCHASE**

1.1 This stock purchase agreement has been negotiated and entered into in furtherance of the Purchaser's plan to (a) buy equity securities issued by a substantial number of small public companies, (b) negotiate the transfer of the entire portfolio of purchased securities to a European bank SICAV fund in exchange for fund interests, and (c) use the SICAV fund interests as collateral for a bank loan that will be used to pay the purchase price of the portfolio of securities. All securities will be deposited with Brown Brothers Harriman & Co., the custodial bank for this transaction, for delayed delivery versus payment. The Seller understands that the shares must be deposited with the custodial bank for asset valuation purposes, but the transaction will not be completed unless the Purchaser receives sufficient loan proceeds to pay the purchase price for all securities included in the stock portfolio that the Purchaser intends to contribute to the SICAV. This agreement does not contemplate or provide for the immediate payment of the purchase price. The anticipated time-line and sequence of transaction events is described in Schedule A to this agreement. The Seller recognizes the time-lines are only estimates. The purchase price specified herein has not been placed in escrow and the closing of this agreement is contingent on the successful completion of negotiations for the contemplated SICAV and loan transactions. The Seller shall have the right to contact the custodial bank administrator for verification of the status, location and control of the securities at each step in the process. The Purchaser shall have up to thirty (30) days from the date of delivery of the securities to the custodial bank to pay the Purchase Price.

1.2 Subject to the limitations and qualifications set forth in Section 1.1, the Purchaser agrees to purchase 154,150 shares of the registered common stock of **Axion Power International, Inc. (OTCBB: AXPW)** held by the Seller and described in the Prospectus at a price of \$3.00 per share, for an aggregate purchase price of \$462,450.

**ARTICLE II
REPRESENTATIONS AND WARRANTIES**

2.1 Representations, Warranties and Agreements of the Seller. The Seller hereby makes the following representations and warranties to the Purchaser, all of which shall survive the Closing:

(f) Validity and Status of the Securities. The Shares have been duly and validly issued and are valid in every respect for sale pursuant to this Agreement and are limited only as disclosed on the face of the certificates.

(g) No Conflicts. The execution, delivery and performance of this Agreement and the other Transaction Documents by the Seller will not (i) be subject to obtaining any consents except, conflict with, or constitute a default (or an event which with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, any agreement, indenture or instrument to which the Seller is a party, or (ii) result in a violation of any law, rule, regulation, order, judgment, litigation, injunction, decree or other restriction of any court or governmental authority to which the Seller is subject (including, but not limited to, those of other countries and the federal and state securities laws and regulations), or by which any property or asset of the Seller is bound or affected.

(h) Litigation; Proceedings. There is no action, suit, notice of violation, proceeding or investigation pending or, to the best knowledge of the Seller, threatened against or affecting the Seller before or by any court, governmental or administrative agency or regulatory authority (federal, state, county, local or foreign) which (i) relates to or challenges the legality, validity or enforceability of any of the Agreement, the Underlying Shares, (ii) could, individually or in the aggregate, have a Material Adverse Effect or (iii) could, individually or in the aggregate, materially impair the ability of the Seller to perform fully on a timely basis its obligations under the Transaction Documents.

(i) Placement Agent. The Seller accepts and agrees that Artemis Capital Group, LLC ("Artemis") is acting for the Purchaser and does not regard any person other than the Purchaser as its customer in relation to this Agreement, and that it has not made any recommendation to the Seller, in relation to this Agreement and is not advising the Seller, with regard to the suitability or merits of the transaction and in particular Artemis has no duties or responsibilities to the Seller for the best execution of the transaction contemplated by this Agreement.

The Purchaser acknowledges and agrees that the Seller makes no representation or warranty with respect to the transactions contemplated hereby other than those specifically set forth in Section 2.1 hereof.

2.2 Representations and Warranties of the Purchaser. The Purchaser hereby represents and warrants to the Seller as follows:

(j) Organization; Authority. The Purchaser is a corporation, duly organized, validly existing and in good standing under the laws of the jurisdiction of its formation with the requisite power and authority to enter into and to consummate the transactions contemplated hereby and by the other Transaction Documents and otherwise to carry out its obligations hereunder and thereunder. The acquisition of the Shares to be purchased by the Purchaser hereunder has been duly authorized by all necessary action on the part of the Purchaser. This Agreement has been duly executed and delivered by the Purchaser and constitutes the valid and legally binding obligation of the Purchaser, enforceable against it in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws relating to, or affecting generally the enforcement of, creditors rights and remedies or by other general principles of equity.

(k) Receipt of Prospectus. The Purchaser acknowledges receipt of the prospectus of **Axion Power International, Inc.** dated August 18, 2005 which includes the shares that are the subject matter of this Agreement and specifically identifies the Seller as a selling stockholder.

(l) Investment Intent. The Purchaser is acquiring the Shares to be purchased by it hereunder, for its own account for investment purposes only and not with a view to or for distributing or reselling such Shares, or any part thereof or interest therein, without prejudice, however, to such Purchaser's right, subject to the provisions of this Agreement, at all times to sell or otherwise dispose of all or any part of such Shares in compliance with applicable federal and state securities laws.

(m) Experience of Purchaser. The Purchaser, either alone or together with its representatives, has such knowledge, sophistication and experience in business and financial matters so as to be capable of

evaluating the merits and risks of an investment in the Shares to be acquired by it hereunder, and has so evaluated the merits and risks of such investment.

(n) Ability of Purchaser to Bear Risk of Investment. The Purchaser is able to bear the economic risk of an investment in the Securities to be acquired by it hereunder and, at the present time, is able to afford a complete loss of such investment.

ARTICLE II REPRESENTATIONS AND WARRANTIES

2.1 Representations, Warranties and Agreements of the Seller. The Seller hereby makes the following representations and warranties to the Purchaser, all of which shall survive the Closing:

(a) Validity and Status of the Securities. Upon exercise of the common stock purchase warrants held by the Seller, the shares will be duly and validly issued and are valid in every respect for sale pursuant to this Agreement and are limited only as disclosed on the face of the certificates.

(b) No Conflicts. The execution, delivery and performance of this Agreement and the other Transaction Documents by the Seller will not (i) be subject to obtaining any consents except, conflict with, or constitute a default (or an event which with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, any agreement, indenture or instrument to which the Seller is a party, or (ii) result in a violation of any law, rule, regulation, order, judgment, litigation, injunction, decree or other restriction of any court or governmental authority to which the Seller is subject (including, but not limited to, those of other countries and the federal and state securities laws and regulations), or by which any property or asset of the Seller is bound or affected.

(c) Litigation; Proceedings. There is no action, suit, notice of violation, proceeding or investigation pending or, to the best knowledge of the Seller, threatened against or affecting the Seller before or by any court, governmental or administrative agency or regulatory authority (federal, state, county, local or foreign) which (i) relates to or challenges the legality, validity or enforceability of any of the Agreement, the Underlying Shares, (ii) could, individually or in the aggregate, have a Material Adverse Effect or (iii) could, individually or in the aggregate, materially impair the ability of the Seller to perform fully on a timely basis its obligations under the Transaction Documents.

(d) Placement Agent. The Seller accepts and agrees that Artemis Capital Group, LLC ("Artemis") is acting for the Purchaser and does not regard any person other than the Purchaser as its customer in relation to this Agreement, and that it has not made any recommendation to the Seller, in relation to this Agreement and is not advising the Seller, with regard to the suitability or merits of the transaction and in particular Artemis has no duties or responsibilities to the Seller for the best execution of the transaction contemplated by this Agreement.

The Purchaser acknowledges and agrees that the Seller makes no representation or warranty with respect to the transactions contemplated hereby other than those specifically set forth in Section 2.1 hereof.

2.2 Representations and Warranties of the Purchaser. The Purchaser hereby represents and warrants to the Seller as follows:

(a) Organization; Authority. The Purchaser is a corporation, duly organized, validly existing and in good standing under the laws of the jurisdiction of its formation with the requisite power and authority to enter into and to consummate the transactions contemplated hereby and by the other Transaction Documents and otherwise to carry out its obligations hereunder and thereunder. The acquisition of the Shares to be purchased by the Purchaser hereunder has been duly authorized by all necessary action on the part of the Purchaser. This Agreement has been duly executed and delivered by the Purchaser and constitutes the valid and legally binding obligation of the Purchaser, enforceable against it in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws relating to, or affecting generally the enforcement of, creditors rights and remedies or by other general principles of equity.

(b) Receipt of Prospectus. The Purchaser acknowledges receipt of the prospectus of Axion Power International, Inc. dated August 18, 2005 which includes the shares that are the subject matter of this Agreement and specifically identifies the Seller as a selling stockholder.

(c) Investment Intent. The Purchaser is acquiring the Shares to be purchased by it hereunder, for its own account for investment purposes only and not with a view to or for distributing or reselling such Shares, or any part thereof or interest therein, without prejudice, however, to such Purchaser's right, subject to the provisions of this Agreement, at all times to sell or otherwise dispose of all or any part of such Shares in compliance with applicable federal and state securities laws.

(d) Experience of Purchaser. The Purchaser, either alone or together with its representatives, has such knowledge, sophistication and experience in business and financial matters so as to be capable of

evaluating the merits and risks of an investment in the Shares to be acquired by it hereunder, and has so evaluated the merits and risks of such investment.

(e) Ability of Purchaser to Bear Risk of Investment. The Purchaser is able to bear the economic risk of an investment in the Securities to be acquired by it hereunder and, at the present time, is able to afford a complete loss of such investment.

Exhibit “D”

PRIVATE STOCK PURCHASE AGREEMENT SICAV TWO

PRIVATE STOCK PURCHASE AGREEMENT ("Agreement") is made and entered into as of December 9, 2005, between, Sally Fonner, (the "Seller"), and Mercatus & Partners Limited (the "Purchaser").

WHEREAS, Seller is the beneficial owner of 30,000 shares of the common stock of **Axion Power International, Inc.** (OTCBB: AXPW) that are issuable upon the exercise of a like number of common stock purchase warrants and have been included in and registered by an effective Form SB-2 registration statement under the Securities Act of 1933 (SEC File No. 333-124317); and

WHEREAS, the Seller has previously delivered to Purchaser a complete copy of that certain prospectus of **Axion Power International, Inc.** dated August 18, 2005 (the "Prospectus") which includes the shares referenced in the preceding recital and specifically identifies the Seller as a selling stockholder; and

WHEREAS, subject to the terms and conditions set forth in this Agreement, the Seller desires to sell and the Purchaser desires to acquire from the Seller 30,000 shares of **Axion Power International, Inc.** at a price of \$3.00 per share, for an aggregate purchase price of \$90,000, which represents a discount of approximately 22.5% from the 30-day weighted average trading price of the referenced shares.

NOW, THEREFORE, subject to the terms and conditions set forth in this Agreement, for good, valuable and binding consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, intending to be legally bound hereby, now agree as follows:

ARTICLE I INTRODUCTION AND AGREEMENT TO PURCHASE

1.1 This stock purchase agreement has been negotiated and entered into in furtherance of the Purchaser's plan to (a) buy equity securities issued by a substantial number of small public companies, (b) negotiate the transfer of the entire portfolio of purchased securities to a European bank SICAV fund in exchange for fund interests, and (c) use the SICAV fund interests as collateral for a bank loan that will be used to pay the purchase price of the portfolio of securities. All securities will be deposited with Brown Brothers Hariman & Co., the custodial bank for this transaction, for delayed delivery versus payment. The Seller understands that the shares must be deposited with the custodial bank for asset valuation purposes, but the transaction will not be completed unless the Purchaser receives sufficient loan proceeds to pay the purchase price for all securities included in the stock portfolio that the Purchaser intends to contribute to the SICAV. This agreement does not contemplate or provide for the immediate payment of the purchase price. The anticipated time-line and sequence of transaction events is described in Schedule A to this agreement. The Seller recognizes the time-lines are only estimates. The purchase price specified herein has not been placed in escrow and the closing of this agreement is contingent on the successful completion of negotiations for the contemplated SICAV and loan transactions. The Seller shall have the right to contact the custodial bank administrator for verification of the status, location and control of the securities at each step in the process. The Purchaser shall have up to thirty (30) days from the date of delivery of the securities to the custodial bank to pay the Purchase Price.

1.2 Subject to the limitations and qualifications set forth in Section 1.1, the Purchaser agrees to purchase 30,000 shares of the registered common stock of **Axion Power International, Inc.** (OTCBB: AXPW) held by the Seller and described in the Prospectus at a price of \$3.00 per share, for an aggregate purchase price of \$90,000.

ARTICLE II REPRESENTATIONS AND WARRANTIES

2.1 Representations, Warranties and Agreements of the Seller. The Seller hereby makes the following representations and warranties to the Purchaser, all of which shall survive the Closing:

(f) Validity and Status of the Securities. Upon exercise of the common stock purchase warrants held by the Seller, the shares will be duly and validly issued and are valid in every respect for sale pursuant to this Agreement and are limited only as disclosed on the face of the certificates.

(g) No Conflicts. The execution, delivery and performance of this Agreement and the other Transaction Documents by the Seller will not (i) be subject to obtaining any consents except, conflict with, or constitute a default (or an event which with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, any agreement, indenture or instrument to which the Seller is a party, or (ii) result in a violation of any law, rule, regulation, order, judgment, litigation, injunction, decree or other restriction of any court or governmental authority to which the Seller is subject (including, but not limited to, those of other countries and the federal and state securities laws and regulations), or by which any property or asset of the Seller is bound or affected.

(h) Litigation; Proceedings. There is no action, suit, notice of violation, proceeding or investigation pending or, to the best knowledge of the Seller, threatened against or affecting the Seller before or by any court, governmental or administrative agency or regulatory authority (federal, state, county, local or foreign) which (i) relates to or challenges the legality, validity or enforceability of any of the Agreement, the Underlying Shares, (ii) could, individually or in the aggregate, have a Material Adverse Effect or (iii) could, individually or in the aggregate, materially impair the ability of the Seller to perform fully on a timely basis its obligations under the Transaction Documents.

(i) Placement Agent. The Seller accepts and agrees that Artemis Capital Group, LLC ("Artemis") is acting for the Purchaser and does not regard any person other than the Purchaser as its customer in relation to this Agreement, and that it has not made any recommendation to the Seller, in relation to this Agreement and is not advising the Seller, with regard to the suitability or merits of the transaction and in particular Artemis has no duties or responsibilities to the Seller for the best execution of the transaction contemplated by this Agreement.

The Purchaser acknowledges and agrees that the Seller makes no representation or warranty with respect to the transactions contemplated hereby other than those specifically set forth in Section 2.1 hereof.

2.2 Representations and Warranties of the Purchaser. The Purchaser hereby represents and warrants to the Seller as follows:

(j) Organization; Authority. The Purchaser is a corporation, duly organized, validly existing and in good standing under the laws of the jurisdiction of its formation with the requisite power and authority to enter into and to consummate the transactions contemplated hereby and by the other Transaction Documents and otherwise to carry out its obligations hereunder and thereunder. The acquisition of the Shares to be purchased by the Purchaser hereunder has been duly authorized by all necessary action on the part of the Purchaser. This Agreement has been duly executed and delivered by the Purchaser and constitutes the valid and legally binding obligation of the Purchaser, enforceable against it in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws relating to, or affecting generally the enforcement of, creditors rights and remedies or by other general principles of equity.

(k) Receipt of Prospectus. The Purchaser acknowledges receipt of the prospectus of **Axlon Power International, Inc.** dated August 18, 2005 which includes the shares that are the subject matter of this Agreement and specifically identifies the Seller as a selling stockholder.

(l) Investment Intent. (m) Experience of Purchaser. The Purchaser, either alone or together with its representatives, has such knowledge, sophistication and experience in business and financial matters so as to be capable of

evaluating the merits and risks of an investment in the Shares to be acquired by it hereunder, and has so evaluated the merits and risks of such investment.

(n) Ability of Purchaser to Bear Risk of Investment. The Purchaser is able to bear the economic risk of an investment in the Securities to be acquired by it hereunder and, at the present time, is able to afford a complete loss of such investment.

PRIVATE STOCK PURCHASE AGREEMENT SICAV ONE

PRIVATE STOCK PURCHASE AGREEMENT ("Agreement") is made and entered into as of December 9, 2005, between, William Monteith (the "Seller"), and Mercatus & Partners Limited (the "Purchaser").

WHEREAS, Seller is the beneficial owner of 32,500 shares of the common stock of Axion Power International, Inc. that have been included in and registered by an effective Form SB-2 registration statement under the Securities Act of 1933 (SEC File No. 333-124317); and

WHEREAS, the Seller has previously delivered to Purchaser a complete copy of that certain prospectus of Axion Power International, Inc. dated August 18, 2005 (the "Prospectus") which includes the shares referenced in the preceding recital and specifically identifies the Seller as a selling stockholder; and

WHEREAS, subject to the terms and conditions set forth in this Agreement, the Seller desires to sell and the Purchaser desires to acquire from the Seller 32,500 shares of Axion Power International, Inc. at a price of \$3.00 per share, for an aggregate purchase price of \$97,500, which represents a discount of approximately 22.5% from the 30-day weighted average trading price of the referenced shares.

NOW, THEREFORE, subject to the terms and conditions set forth in this Agreement, for good, valuable and binding consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, intending to be legally bound hereby, now agree as follows:

ARTICLE I INTRODUCTION AND AGREEMENT TO PURCHASE

1.1 This stock purchase agreement has been negotiated and entered into in furtherance of the Purchaser's plan to (a) buy equity securities issued by a substantial number of small public companies, (b) negotiate the transfer of the entire portfolio of purchased securities to a European bank SICAV fund in exchange for fund interests, and (c) use the SICAV fund interests as collateral for a bank loan that will be used to pay the purchase price of the portfolio of securities. All securities will be deposited with Brown Brothers Harriman & Co., the custodial bank for this transaction, for delayed delivery versus payment. The Seller understands that the shares must be deposited with the custodial bank for asset valuation purposes, but the transaction will not be completed unless the Purchaser receives sufficient loan proceeds to pay the purchase price for all securities included in the stock portfolio that the Purchaser intends to contribute to the SICAV. This agreement does not contemplate or provide for the immediate payment of the purchase price. The anticipated time-line and sequence of transaction events is described in Schedule A to this agreement. The Seller recognizes the time-lines are only estimates. The purchase price specified herein has not been placed in escrow and the closing of this agreement is contingent on the successful completion of negotiations for the contemplated SICAV and loan transactions. The Seller shall have the right to contact the custodial bank administrator for verification of the status, location and control of the securities at each step in the process. The Purchaser shall have up to thirty (30) days from the date of delivery of the securities to the custodial bank to pay the Purchase Price.

1.2 Subject to the limitations and qualifications set forth in Section 1.1, the Purchaser agrees to purchase 32,500 shares of the registered common stock of Axion Power International, Inc. (OTCBB: AXPW) held by the Seller and described in the Prospectus at a price of \$3.00 per share, for an aggregate purchase price of \$97,500.

ARTICLE II REPRESENTATIONS AND WARRANTIES

2.1 Representations, Warranties and Agreements of the Seller. The Seller hereby makes the following representations and warranties to the Purchaser, all of which shall survive the Closing:

(a) Validity and Status of the Securities. Upon exercise of the common stock purchase warrants held by the Seller, the shares will be duly and validly issued and are valid in every respect for sale pursuant to this Agreement and are limited only as disclosed on the face of the certificates.

(b) No Conflicts. The execution, delivery and performance of this Agreement and the other Transaction Documents by the Seller will not (i) be subject to obtaining any consents except, conflict with, or constitute a default (or an event which with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, any agreement, indenture or instrument to which the Seller is a party, or (ii) result in a violation of any law, rule, regulation, order, judgment, litigation, injunction, decree or other restriction of any court or governmental authority to which the Seller is subject (including, but not limited to, those of other countries and the federal and state securities laws and regulations), or by which any property or asset of the Seller is bound or affected.

(c) Litigation; Proceedings. There is no action, suit, notice of violation, proceeding or investigation pending or, to the best knowledge of the Seller, threatened against or affecting the Seller before or by any court, governmental or administrative agency or regulatory authority (federal, state, county, local or foreign) which (i) relates to or challenges the legality, validity or enforceability of any of the Agreement, the Underlying Shares, (ii) could, individually or in the aggregate, have a Material Adverse Effect or (iii) could, individually or in the aggregate, materially impair the ability of the Seller to perform fully on a timely basis its obligations under the Transaction Documents.

(d) Placement Agent. The Seller accepts and agrees that Artemis Capital Group, LLC ("Artemis") is acting for the Purchaser and does not regard any person other than the Purchaser as its customer in relation to this Agreement, and that it has not made any recommendation to the Seller, in relation to this Agreement and is not advising the Seller, with regard to the suitability or merits of the transaction and in particular Artemis has no duties or responsibilities to the Seller for the best execution of the transaction contemplated by this Agreement.

The Purchaser acknowledges and agrees that the Seller makes no representation or warranty with respect to the transactions contemplated hereby other than those specifically set forth in Section 2.1 hereof.

2.2 Representations and Warranties of the Purchaser. The Purchaser hereby represents and warrants to the Seller as follows:

(a) Organization; Authority. The Purchaser is a corporation, duly organized, validly existing and in good standing under the laws of the jurisdiction of its formation with the requisite power and authority to enter into and to consummate the transactions contemplated hereby and by the other Transaction Documents and otherwise to carry out its obligations hereunder and thereunder. The acquisition of the Shares to be purchased by the Purchaser hereunder has been duly authorized by all necessary action on the part of the Purchaser. This Agreement has been duly executed and delivered by the Purchaser and constitutes the valid and legally binding obligation of the Purchaser, enforceable against it in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws relating to, or affecting generally the enforcement of, creditors rights and remedies or by other general principles of equity.

(b) Receipt of Prospectus. The Purchaser acknowledges receipt of the prospectus of Axion Power International, Inc. dated August 18, 2005 which includes the shares that are the subject matter of this Agreement and specifically identifies the Seller as a selling stockholder.

(c) Investment Intent. The Purchaser is acquiring the Shares to be purchased by it hereunder, for its own account for investment purposes only and not with a view to or for distributing or reselling such Shares, or any part thereof or interest therein, without prejudice, however, to such Purchaser's right, subject to the provisions of this Agreement, at all times to sell or otherwise dispose of all or any part of such Shares in compliance with applicable federal and state securities laws.

(d) Experience of Purchaser. The Purchaser, either alone or together with its representatives, has such knowledge, sophistication and experience in business and financial matters so as to be capable of evaluating the merits and risks of an investment in the Shares to be acquired by it hereunder, and has so evaluated the merits and risks of such investment.

(e) Ability of Purchaser to Bear Risk of Investment. The Purchaser is able to bear the economic risk of an investment in the Securities to be acquired by it hereunder and, at the present time, is able to afford a complete loss of such investment.

This Agreement may be executed in two or more counterparts, all of which when taken together shall be considered one and the same agreement and shall become effective when counterparts have been signed by each party and delivered to the other party, it being understood that both parties need not sign the same counterpart. In the event that any signature is delivered by facsimile transmission, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) the same with the same force and effect as if such facsimile signature page were an original thereof.

3.11 Severability. In case any one or more of the provisions of this Agreement shall be invalid or unenforceable in any respect, the validity and enforceability of the remaining terms and provisions of this Agreement shall not in any way be affected or impaired thereby and the parties will attempt to agree upon a valid and enforceable provision which shall be a reasonable substitute therefore, and upon so agreeing, shall incorporate such substitute provision in this Agreement.

The execution, delivery and performance of this Agreement and the other Transaction Documents by the Seller will not (i) be subject to obtaining any consents except, conflict with, or constitute a default (or an event which with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, any agreement, indenture or instrument to which the Seller is a party, or (ii) result in a violation of any law, rule, regulation, order, judgment, litigation, injunction, decree or other restriction of any court or governmental authority to which the Seller is subject (including, but not limited to, those of other countries and the federal and state securities laws and regulations), or by which any property or asset of the Seller is bound or affected.

(h) Litigation; Proceedings. There is no action, suit, notice of violation, proceeding or investigation pending or, to the best knowledge of the Seller, threatened against or affecting the Seller before or by any court, governmental or administrative agency or regulatory authority (federal, state, county, local or foreign) which (i) relates to or challenges the legality, validity or enforceability of any of the Agreement, the Underlying Shares, (ii) could, individually or in the aggregate, have a Material Adverse Effect or (iii) could, individually or in the aggregate, materially impair the ability of the Seller to perform fully on a timely basis its obligations under the Transaction Documents.

(i) Placement Agent. The Seller accepts and agrees that Artemis Capital Group, LLC ("Artemis") is acting for the Purchaser and does not regard any person other than the Purchaser as its customer in relation to this Agreement, and that it has not made any recommendation to the Seller, in relation to this Agreement and is not advising the Seller, with regard to the suitability or merits of the transaction and in particular Artemis has no duties or responsibilities to the Seller for the best execution of the transaction contemplated by this Agreement.

The Purchaser acknowledges and agrees that the Seller makes no representation or warranty with respect to the transactions contemplated hereby other than those specifically set forth in Section 2.1 hereof.

2.2 Representations and Warranties of the Purchaser. The Purchaser hereby represents and warrants to the Seller as follows:

The acquisition of the Shares to be purchased by the Purchaser hereunder has been duly authorized by all necessary action on the part of the Purchaser. This Agreement has been duly executed and delivered by the Purchaser and constitutes the valid and legally binding obligation of the Purchaser, enforceable against it in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws relating to, or affecting generally the enforcement of, creditors rights and remedies or by other general principles of equity.

(k) Receipt of Prospectus. The Purchaser acknowledges receipt of the prospectus of Axion Power International, Inc. dated August 18, 2005 which includes the shares that are the subject matter of this Agreement and specifically identifies the Seller as a selling stockholder.

(l) Investment Intent. The Purchaser is acquiring the Shares to be purchased by it hereunder, for its own account for investment purposes only and not with a view to or for distributing or reselling such Shares, or any part thereof or interest therein, without prejudice, however, to such Purchaser's right, subject to the provisions of this Agreement, at all times to sell or otherwise dispose of all or any part of such Shares in compliance with applicable federal and state securities laws.

(n) Ability of Purchaser to Bear Risk of Investment. The Purchaser is able to bear the economic risk of an investment in the Securities to be acquired by it hereunder and, at the present time, is able to afford a complete loss of such investment.

Exhibit “G”

PRIVATE STOCK PURCHASE AGREEMENT SICAV ONE

PRIVATE STOCK PURCHASE AGREEMENT ("Agreement") is made and entered into as of December 9, 2005, between, James Smith, M.D. (the "Seller"), and Mercatus & Partners Limited (the "Purchaser").

WHEREAS, Seller is the beneficial owner of 33,350 shares of the common stock of **Axion Power International, Inc.** (OTCBB: AXPW) that are issuable upon the exercise of a like number of common stock purchase warrants and have been included in and registered by an effective Form SB-2 registration statement under the Securities Act of 1933 (SEC File No. 333-124317); and

WHEREAS, the Seller has previously delivered to Purchaser a complete copy of that certain prospectus of **Axion Power International, Inc.** dated August 18, 2005 (the "Prospectus") which includes the shares referenced in the preceding recital and specifically identifies the Seller as a selling stockholder; and

WHEREAS, subject to the terms and conditions set forth in this Agreement, the Seller desires to sell and the Purchaser desires to acquire from the Seller 33,350 shares of **Axion Power International, Inc.** at a price of \$3.00 per share, for an aggregate purchase price of \$100,050, which represents a discount of approximately 22.5% from the 30-day weighted average trading price of the referenced shares.

NOW, THEREFORE, subject to the terms and conditions set forth in this Agreement, for good, valuable and binding consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, intending to be legally bound hereby, now agree as follows:

ARTICLE I INTRODUCTION AND AGREEMENT TO PURCHASE

1.1 This stock purchase agreement has been negotiated and entered into in furtherance of the Purchaser's plan to (a) buy equity securities issued by a substantial number of small public companies, (b) negotiate the transfer of the entire portfolio of purchased securities to a European bank SICAV fund in exchange for fund interests, and (c) use the SICAV fund interests as collateral for a bank loan that will be used to pay the purchase price of the portfolio of securities. All securities will be deposited with Brown Brothers Harriman & Co., the custodial bank for this transaction, for delayed delivery versus payment. The Seller understands that the shares must be deposited with the custodial bank for asset valuation purposes, but the transaction will not be completed unless the Purchaser receives sufficient loan proceeds to pay the purchase price for all securities included in the stock portfolio that the Purchaser intends to contribute to the SICAV. This agreement does not contemplate or provide for the immediate payment of the purchase price. The anticipated time-line and sequence of transaction events is described in Schedule A to this agreement. The Seller recognizes the time-lines are only estimates. The purchase price specified herein has not been placed in escrow and the closing of this agreement is contingent on the successful completion of negotiations for the contemplated SICAV and loan transactions. The Seller shall have the right to contact the custodial bank administrator for verification of the status, location and control of the securities at each step in the process. The Purchaser shall have up to thirty (30) days from the date of delivery of the securities to the custodial bank to pay the Purchase Price.

1.2 Subject to the limitations and qualifications set forth in Section 1.1, the Purchaser agrees to purchase 33,350 shares of the registered common stock of **Axion Power International, Inc.** (OTCBB: AXPW) held by the Seller and described in the Prospectus at a price of \$3.00 per share, for an aggregate purchase price of \$100,050.

ARTICLE II REPRESENTATIONS AND WARRANTIES

2.1 Representations, Warranties and Agreements of the Seller. The Seller hereby makes the following representations and warranties to the Purchaser, all of which shall survive the Closing:

(a) Validity and Status of the Securities. Upon exercise of the common stock purchase warrants held by the Seller, the shares will be duly and validly issued and are valid in every respect for sale pursuant to this Agreement and are limited only as disclosed on the face of the certificates.

(b) No Conflicts. The execution, delivery and performance of this Agreement and the other Transaction Documents by the Seller will not (i) be subject to obtaining any consents except, conflict with, or constitute a default (or an event which with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, any agreement, indenture or instrument to which the Seller is a party, or (ii) result in a violation of any law, rule, regulation, order, judgment, litigation, injunction, decree or other restriction of any court or governmental authority to which the Seller is subject (including, but not limited to, those of other countries and the federal and state securities laws and regulations), or by which any property or asset of the Seller is bound or affected.

(c) Litigation: Proceedings. There is no action, suit, notice of violation, proceeding or investigation pending or, to the best knowledge of the Seller, threatened against or affecting the Seller before or by any court, governmental or administrative agency or regulatory authority (federal, state, county, local or foreign) which (i) relates to or challenges the legality, validity or enforceability of any of the Agreement, the Underlying Shares, (ii) could, individually or in the aggregate, have a Material Adverse Effect or (iii) could, individually or in the aggregate, materially impair the ability of the Seller to perform fully on a timely basis its obligations under the Transaction Documents.

(d) Placement Agent. The Seller accepts and agrees that Artemis Capital Group, LLC ("Artemis") is acting for the Purchaser and does not regard any person other than the Purchaser as its customer in relation to this Agreement, and that it has not made any recommendation to the Seller, in relation to this Agreement and is not advising the Seller, with regard to the suitability or merits of the transaction and in particular Artemis has no duties or responsibilities to the Seller for the best execution of the transaction contemplated by this Agreement.

The Purchaser acknowledges and agrees that the Seller makes no representation or warranty with respect to the transactions contemplated hereby other than those specifically set forth in Section 2.1 hereof.

2.2 Representations and Warranties of the Purchaser. The Purchaser hereby represents and warrants to the Seller as follows:

(a) Organization: Authority. The Purchaser is a corporation, duly organized, validly existing and in good standing under the laws of the jurisdiction of its formation with the requisite power and authority to enter into and to consummate the transactions contemplated hereby and by the other Transaction Documents and otherwise to carry out its obligations hereunder and thereunder. The acquisition of the Shares to be purchased by the Purchaser hereunder has been duly authorized by all necessary action on the part of the Purchaser. This Agreement has been duly executed and delivered by the Purchaser and constitutes the valid and legally binding obligation of the Purchaser, enforceable against it in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws relating to, or affecting generally the enforcement of, creditors rights and remedies or by other general principles of equity.

(b) Receipt of Prospectus. The Purchaser acknowledges receipt of the prospectus of Axion Power International, Inc. dated August 18, 2005 which includes the shares that are the subject matter of this Agreement and specifically identifies the Seller as a selling stockholder.

(c) Investment Intent. The Purchaser is acquiring the Shares to be purchased by it hereunder, for its own account for investment purposes only and not with a view to or for distributing or reselling such Shares, or any part thereof or interest therein, without prejudice, however, to such Purchaser's right, subject to the provisions of this Agreement, at all times to sell or otherwise dispose of all or any part of such Shares in compliance with applicable federal and state securities laws.

(d) Experience of Purchaser. The Purchaser, either alone or together with its representatives, has such knowledge, sophistication and experience in business and financial matters so as to be capable of

evaluating the merits and risks of an investment in the Shares to be acquired by it hereunder, and has so evaluated the merits and risks of such investment.

(e) Ability of Purchaser to Bear Risk of Investment. The Purchaser is able to bear the economic risk of an investment in the Securities to be acquired by it hereunder and, at the present time, is able to afford a complete loss of such investment.

The acquisition of the Shares to be purchased by the Purchaser hereunder has been duly authorized by all necessary action on the part of the Purchaser. This Agreement has been duly executed and delivered by the Purchaser and constitutes the valid and legally binding obligation of the Purchaser, enforceable against it in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws relating to, or affecting generally the enforcement of, creditors rights and remedies or by other general principles of equity.

(k) Receipt of Prospectus. The Purchaser acknowledges receipt of the prospectus of Axion Power International, Inc. dated August 18, 2005 which includes the shares that are the subject matter of this Agreement and specifically identifies the Seller as a selling stockholder.

evaluating the merits and risks of an investment in the Shares to be acquired by it hereunder, and has so evaluated the merits and risks of such investment.

3.11 Severability. In case any one or more of the provisions of this Agreement shall be invalid or unenforceable in any respect, the validity and enforceability of the remaining terms and provisions of this Agreement shall not in any way be affected or impaired thereby and the parties will attempt to agree upon a valid and enforceable provision which shall be a reasonable substitute therefore, and upon so agreeing, shall incorporate such substitute provision in this Agreement.

Update Directed
To the Sicav One and Two Companies

I would like to congratulate you on your selection by Mercatus & Partners, for inclusion in the very first SICAV portfolio by Cofibol Placeuro as an investment into the United States equities market on a primarily restricted securities basis. While many of the companies that were involved were involved much longer, we realize that your degree of expectation has been piqued by the impending listing of the fund and clearance of your brethren companies past due diligence, for the listing of the fund onto the Luxembourg Exchange. The timing for this action will be before the end of the month of January. By the middle of next week, there will be the issuance of a letter to Mercatus and Banca MB by Cofibol which will set forth the final timeline of the listing and confirmation that the assets have been evaluated and posted. As such we would like to take this opportunity to advise you of the current closing and status of the funding from Europe.

Let me first advise you that the closing of the two SICAV funds (one and two) has been completed for inventory, verification and valuation by Deloitte & Touche, the auditing firm, and the SICAV fund. The inventory and intake of the stocks which fill our first two transactions had to be cleared through a thorough vetting process which inevitably delayed the transaction.

Please note that for the first time in the history of the financial markets, Regulation 144 stocks will be used as contribution in kind for a Sicav Fund. This newly developed opportunity and the fact that The Luxembourg Stock Exchange requires our Sicav Fund to be in full compliance with the European Union Laws has to be strictly regulated. This will not prevent both the Sicav and the Authorities that supervise the Market, to act expeditiously and get the listing of the Sicav into the Luxembourg Stock Exchange in less than 2 calendar weeks. We hope you appreciate the quick response of the European Institutions that are guaranteeing compliance to the Laws and a timely response to our transaction.

MERCATUS
LAW PARTNERS

We would therefore expect that we would have the first monies for SICAV ONE (first of the funding) within 7 days from listing on the exchange and the second payment of SICAV TWO (the second half) within the same time period from the first. The authorities involved are stringently complying with the appropriate Patriot Act and other matters of funding security involving overseas transactions.

As you can imagine the amount of funding involved is substantial, and such a transfer must be handled by our overseas investment funds in an appropriate legal manner.

We appreciate your patience, understanding and confidence. We are anticipating a very long and profitable relationship.

Sincerely,

Dott. Ceccolo Stefano

Re: SICAV Status Update

The following information has been communicated by Michel Parizel, Managing Director of COFIBOL (Placeuro) in a separate letter. The information was provided to the undersigned, Dwight Parscale, Esquire of Parscale, Wynn, Templar, LLC and George Parnell, of Holland & Knight, LP, for release to the participating issuers and sellers on behalf of COFIBOL.

We are hereby authorized to advise you that the Board of Directors of SICAV Placeuro has approved the fund transaction that will result in the purchase of your securities. Additionally, we were advised that the various SICAV funds will be listed on the Luxemburg Stock Exchange on the 10th of February 2006. COFIBOL has further stated that the process of securing and forwarding the payments (wiring) to the appropriate sellers will be completed for SICAV One and SICAV Three between the 15th and 20th of February 2006.

The funding of SICAV Two will take place within 7 to 10 days following the funding of the SICAV One and SICAV Three companies. Thus, the total funding process will be completed for all the companies in the SICAV One, Two and Three transactions by the end of February. Those participating in SICAV One and SICAV Two will receive their payments in accordance with the payment schedule above. We understand this is a delay from the date originally targeted for funding and apologize for any inconvenience occasioned by the delay.

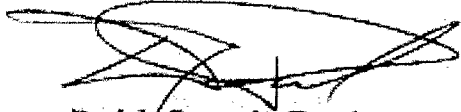

We believe everyone can appreciate the monumental effort that this entailed. The payment delays have been caused by an unexpected request on behalf of the SICAV funds to increase the size and value of the portfolio being funded and further by certain participating sellers failing to follow the contractual due diligence and stock delivery procedures properly with BBH in a timely fashion. The size and number of companies in the initial portfolio required by the SICAV's has resulted in each participating company effectively becoming part of a large group of participating public companies seeking PIPE funding. The result has been that each issuer has become dependant on each other issuer to complete the initial transaction. It is our understanding that all of requirements have now been satisfied and the funding is shall take place in accordance with the schedule above as related to us by COFIBOL. You will be contacted in the event we

MEMORANDUM

February 17, 2006

From: George F.A. Parnell, Esq.
Dwight J. Parscale, Esq.

Re: SICAV Status

The following information has been provided to us for dissemination to the participants in the SICAV funding transaction. The SICAV payout process is continuing. The release of funds for payment for your stocks has been delayed by a few days due to a third party error in the interpretation of the instructions relating to the required contents of the portfolio. The instructions have been clarified so that the clerical processes of Bloomberg which must register and confirm the individual securities as part of the fund's assets ("Load") prior to funding will be completed as required by the SICAV process on Friday, February 17, 2006. Originally Mercatus & Partners, Limited was advised and thus advised us accordingly that this process would take two business days, instead it has taken a full week. This has in effect delayed the payout timeline.

Once Bloomberg completes their loading process SICAV needs approximately two business days to record the transaction and issue the shares of the SICAV funds to complete their part of the procedure. Once that takes place the SICAV authorizes the Banks to secure and pay for the portfolio assets and the funds will be wired.

We want everyone to be apprised that all the parties have been working long and hard to get this completed as soon as is possible. We have been assured that the payouts for the SICAV One and Three will begin prior to the end of February and be finished during the first week of March. The payments for the Second SICAV will begin the first week of March and finish by the second week of March. Please note, that as the funds are being wired from overseas, due to the Patriot Act, the U.S. recipient banks may delay the release of the funds for a short period of time. We do not expect this, but we wish you to be aware of any known contingencies so you may plan accordingly.

Please understand that it will take this time to distribute the funds to this many companies and have the proper accounting controls to complete it smoothly. As you were advised before all the requirements have been met it is just a matter of completing the mechanics of the transaction to finalize it. Thank you for your patience.

Best Regards

MEMO TO MERCATUS & PARTNERS SICAV CLIENTS

09 March 2006

This memo is being presented based on our funding institutions advise on the impending arrival of funds for those clients that are involved in the Sicav I, II and III portfolios. As we all know this has been a very long and arduous trail for all of us.

We have now finished all of the diligence required by all of the financial institutions, diligence investigators, and the various and numerous government authorities in which the various transactions are located. We have conducted our business in a most transparent and professional manner. We have had and have solved many problems created by our portfolio participants. Most of them were innocent and may have seemed harmless but all of them contributed to the extra time needed to fund this first time transaction.

I wish to personally thank all of you for having remained with us in this ground breaking and unique funding opportunity. We have consistently passed all of our information through the two attorney groups represented by Mr. Parnell and Mr. Parscale. They have given their time and expertise on many an occasion to each and everyone of us. This was a sincere testimony to their faith in this undertaking.

We are now ready to offer the funding schedule for the next two weeks. Our portfolio will be receiving the funds committed to by the various banking institutions. Eleven participating financial institutions will be distributing these funds. The monies will emanate from the lending institutions to the various MERCATUS banks in Europe to Banca MB and then on to Mr. Parscale for distribution to the appropriate parties. We may experience one or two day holds at the various banks, which represents normal banking activity. However, I am proud to say that the MONEY IS NOW ON THE MOVE.

Our wire dates will be (funds transfer to Mr. Parscale from Banca MB) the 15, 17, 20, 21, 24, and 29 of March'06. This will represent the entire Sicav I, III payment. We will receive the Sicav II payment schedule during the first several days of next week.

We have worked tirelessly to create a safe and fair representation of the portfolio and still meet the needs of the financial institutions. Other than the extra time taken to accomplish this task, everyone is very happy with the results and has given us the green light to do several more Sicav transactions.

We remain at your service.

Hi John-

There is not much to tell you that is any different from the last update. I have been advised that the money is moving from the various banks and will be coming to my account at any time now. I and George Parnell expect to be speaking to the Bank authorities in Europe tomorrow. George is not available today. The conversation is intended to include many subjects including the timetable for the movement of the funds to settle SICAV 1,2 &3. We will try to pinpoint the amounts and timing of the tranches that are coming. I wish there was more I could say but this is it. One final thing the official VISA number that some of the Banks needed was done last Wed.. The only thing that I know of to be done at this point is the movement of money. Please keep in mind there are at least 11 banks involved. Best Wishes.

Hi-

Please give me a call. I expect to be on another conference call in about 20 minutes. The final peice of the puzzle is done. Before the banks would release the funds to be sent they wanted the physical SICAV shares in their hands. That is being done now. The banks have the funds allocated and committed. They just need to be released to be sent to my account. I and George will be speaking to the bank representatives (from the lead banks) today. The conversation was delayed due to various parties travel. The slippage was not avoidable. I understand that everyone including the Mercatus Group is anxious and frustrated but they have overcome all the hurdles and we now only await the transfer of the funds. Best Wishes.

In my note to you at the end of last week, I told you that I interpreted the March 15th memo as indicating a couple days of slippage in getting the funds transferred to Banca MB. In your response on March 20th, you told me:

10/23/2007

I've been living and doing business in Europe for the last 8 years and know exactly how long it takes to move substantial amounts of money from point A to point B. Even allowing for slippage, Banca MB and/or you should have received clear confirmation of the first funding by now.

I have been requesting information for several days now without response and I find the silence worrisome.

We have a couple of possibilities here:

1. The money has not been released by the funding banks, which would indicate a problem;
2. The money has been received by Banca MB but has not been released, which would also indicate a problem;
3. The money has been released by Banca MB and you have received the first transfer in your trust account, which would indicate that everything is fine and we've just suffered from unanticipated yet predictable delays.

I have a telephone conference with Axion's auditors scheduled for 10:00 a.m. EST today. I've put it off for as long as possible without jeopardizing the timeliness of Axion's Form 10-KSB.

I must have clear answers for their questions.

If I have information I can share with the auditors, we can probably get to a resolution that will keep everyone happy. I would rather not focus on what could happen if the only answer I have for the auditors is "I don't know and I haven't been able to get a response from the buyer's lawyer."

I know I have spoken to some of you and not others but I have been on the phone almost nonstop since this morning. I have had several phone calls with Cary and Stefano. I have been advised that I "will have written wire document proof" tomorrow (Tuesday) morning. Cary arrived late in the day and will be making sure that I get the correct information. I assume that everyone read my previous correspondence that Cary will be in Europe for several weeks making sure that all the entities and parties are coordinating properly before he returns. He has advised me that all is well and I will have the above information tomorrow morning as promised. As soon as I get the information I will communicate with you by email. Remember, all communications must come thru me. Please understand that Cary's cell does not function in Italy. Best Wishes.

Hello to Everyone-

This is a Monumental day for Mercatus. I have received the documentation and confirmation that the first wires have been ordered and sent. I will be receiving more such information going forward as to the amounts that will be coming from each additional wiring Bank that will be sent. This does NOT mean that the monies are in my account yet. I will advise everyone when that happens and what our intentions are for payment therefrom. Spending all my time on the phone does not leave me with a lot of time to get this organized and numbers figured out. Mercatus appreciates everyones patience and I intend to enjoy the moment before I rev up again. You can tell your clients that the proof is in the pudding. We will now just be accumulating the funds. Again, Thanks & Best Wishes.

Greetings-

I am happy to let you know that Mercatus has presented to five different financial institutions a bulk of the portfolio of SICAV shares. I am advised that the procedure is, that following the presentation there is a three day waiting period and a one day registration. After this occurs the money is released and it will take a total of no more than three to four days to arrive and be posted to my disbursement account. The first two institutions have been presented and the the three day time starts on Monday. The others will follow on Monday and Tuesday. Each and every recipient will then be contacted by my office to verify and validate all current information and status including wire instructions. Mercatus wants to sincerely thank you for your confidence and after all these months of AGONY, Mercatus is confident that the end is here and we will be able to get started with the business everyone has been waiting for. I will be out of town for the Holiday returning Wed. morning the 5th of July. I want to wish everyone a great 4th. Best Regards.
